Presidents Letter

Louise Dahlke

For this letter I would normally be thanking all of our committees for all of the work they did for our spring banquet, however because of our "Stay Safe, Stay Home" order by the governor, we were not able to have this event. I'm hoping that we will be able to combine Spring and Fall and have a great turnout when we are finally able to get together. **If you haven't already sent your forms for "HCE Healthy Lifestyle" and "Impact on HCE" for club and board members please send them to me by June 1st. I have to submit my report before June 10th so our county can receive the credit we deserve. Please make a notation that I now have a new mailing address, PO Box 387, Denmark, 54208.** Thank you. Important dates to remember are: August 17th through August 23rd is the Brown County Fair and at this time the fair will be held as scheduled. We will keep all of our members informed of any changes. I do need to know who will be willing to help at our information table and we will arrange for you to receive your fair entry pass. I will be in the fair office on August 13th, 14th, 15th, and 16th, from 11:00 until 5:30; and on Monday 8/17 and Tuesday 8/18 from 9:00 – 4:00, these are all days before fair opens. As of this time the Annual WAHCE State Conference will be held in Hudson, WI from September 21-23; all of the information to sign up is in the May Update that you should have received by now. Our BCHCE Fall Association meeting will be on October 23 at 9:00 a.m. at the STEM Center. The Fall District Meeting is in Door County in October. Have a great summer and I hope to see you at the fair. Remember to Stay Safe, Stay Healthy in this time of not so normal lifestyles! Louise

There are 19 categories in the 2020 WAHCE Cultural & Textile Arts Show. Did you know...you could be selected to receive a Gold Medallion for the best in your category?

What is your talent? Encourage your club members and yourself to participate this year. Brown County can enter a total of 12 projects plus 1 entry in the Bonus category. The Bonus category this year is decorating a pair of glasses. Follow the guidelines on the entry form. If you are planning to enter a project or 2 or 3, please give me, Joyce, a phone call 920.863.6603 to make arrangements; projects will be accepted until Friday, June 5th. Update on Wisconsin Bookworms

Louise Dahlke

For all of our members/readers for the WI Bookworms for the 2019/2020 school year you might be wondering what happened to the books. I did contact the CESA 7 office and because our BCHCE School chairperson, to my knowledge did take all of the books to the schools in fall, the schools would have given the books, we were not to able read, to the students. This would have happened when the schools were closed and some schools packed all items belonging to the students and the parents picked them up. Or for some schools, they are going to have an end of the year pick up for the students and they will receive the books at that time. For the Oneida Head Start program the students will receive their books in the same way. For the School Chairpersons, I think I was able to talk to or leave a message for most of you, the books have been ordered. I had to order them by April 30th. I am really sad that I did receive an email from the Oneida Head Start person and she let me know that Oneida will not be ordering for the 2020-2021 school year. Lucky I received this email on April 28th and was able to cancel their order.

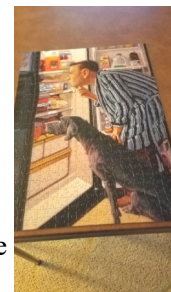

The books will be delivered to the STEM Center during August. I will not have the labels until after the WAHCE State Conference in September. I'll be in touch with the chairs and we'll decide how we're going to handle putting the labels in the books. Will it be easier for each chair to have all of their books and labels and put them in at a location and time that works best for them? Or will we want to schedule a date and time as in the past? If you have any suggestions I would really appreciate hearing from you.

One last item, we are going to have to get some help from our members to get donations for the books. We have had a few non profit organizations donate in the past, however they may not be able to continue with the same amount as before. I don't know this for sure, but if we don't get some extra donations for the books, we might not be able to continue with the program in Brown County. I've filled out information trying to get a grant for the past three years with the WACHE First Book/WI Bookworm chairpersons and although some counties have received money from grants, we have not been included in on it. So, I need your help, thank you. It costs about \$510 for one school, this is figured on 20 sets of books per school at \$25.49 per set, the cost this year and next year could be more. We won't know until we get the information from Scholastic in February or March 2021. Please let me know your thoughts on this.

Thank you. Louise

“Stay Home”

What some members are doing with there “Stay Home” time and contributions to the community. East River club members have been passing the safer at home time by putting puzzles together, reading, cleaning out closets, sorting clothes to donate, going through years of photos, and trying new recipes (if you can find the ingredients). Individuals and friends have donated milk to the Transformation House to help the men living there as well as the farmers. Our club has also made a monetary donation to the Salvation Army. Praying for all that this too will pass soon. (Right: Puzzle picture submitted by Joyce Grulke.)

Our U.S. Flag

VFW, national conventions and the national Americanism committee have declared repeatedly that Public destruction of the U.S. flag is a very poor example of patriotism even though the act of being represented as one of respect for our national emblem. The armed forces feel the same way.

The VFW urges that the code states clearly that the only respectful manner of disposal is by burning in private and without ceremony.

When a U.S. flag is torn, soiled or badly faded, they should not be displayed. When a flag is in such condition, it should be destroyed as a whole, privately, and preferably by burning in a manner not suggesting irreverence or disrespect.

You're a Grand Old Flag

**You're a grand old flag
You're a high flying flag;
And forever, in peace, may you wave;
You're the emblem of the land I love;
The home of the free and the brave.
Every heart beats true,
Under the red, white and blue
Where there's never a boast or brag'
But should old acquaintance be forgot,
Keep your eye on the grand old flag.**

Travel?

Keep informed on any travel restrictions within the United States or abroad in these uncertain times of the Coronavirus (COVID-19).

Coronavirus

I know this Coronavirus is a difficult time for all of us, in order to control this virus from spreading, everyone needs to follow the rules especially wearing a masks and staying at least 6 feet apart from one another.

We need to keep ourselves busy by walking or any other exercise, phoning family and friends, doing cross word puzzles, doing crafts, trying new recipes, cleaning, doing yard work, and by all means reading possibly keep a dairy on the daily events of this terrible virus, or do what ever it takes to keep busy.

I know we never dreamt that this would ever happen and we all want this virus to be over soon.

Just keep up your courage and hope we can enjoy H.C.E. programs and seeing one another soon.
